IN PRAISE OF STIFF CLITS, GAPERS & GOLDEN GIRLS

Dear *40Something*,

40Something #203 is a fantastic issue. Much better than the last one. Very stroke-worthy.

Bea Cummins: This GILF has the hottest hole ever spread. The amount of wet inner flesh shows how much friction your cock would feel inside her, and she is always wet and glistening. The shot of the younger male holding open her hole is wonderful. Do you have her doing anal yet?

Marina: Lovely, mature, smiling face on a well-preserved body. The finger-sneaking-into-hole shot is hot. Would have loved to see a closeup gape shot.

Demi: Nice fantasy of a young student with an older librarian. Great shot of ball sucking. The shot of her impaling herself anally, holding open her pussy with her clit poking out, is the best shot in many a spread. You should have this pose more often and show more stiff clits.

The MILFs of #203: Lin enjoys herself. Summeran and Cassy (left) show off their wide rides. Bea Cummins sucks her doc's cock.

Nastaya and Cassy: Truly beautiful women with great bodies. They could be 20-year-olds. If they are willing to spread and gape, you should show closeups of the interior of their holes. This is the major attraction of MILFs.

"Golden Girls": They are all stroke-inspiring. Anneke's tunnel asshole, Bea's meaty pussy and Georgette's contortion, were the best.

Lin Boyde with her flappy pussy lips merits another solo spread.

Luna: Her lovely face shows mileage and experience. The last shot showing her open hole is hot. This should be a standard shot. How about a standard opening page giving the model's info, a head shot showing her pretty face, closeups of her open pussy and asshole and maybe a foot shot for the fetishists?

Summeran: Great fantasy subject of a delivery boy with a GILF. She is hot.

Your action sets have great themes. I'd love to see the ladies being DP'd or rimming boys.–Chessifan, address withheld, via email

Dear Chessifan: Thanks for writing. Bea returned to our studio and did just about everything…except anal. She says it's the one sexual act she doesn't enjoy doing.

40Something columnist Georgette happily opens up her asshole for our inspection. Will she ever open it up for a cock?

WILL ANAL SEX EVER BE ON GEORGETTE'S MENU?

Dear *40Something*,

I understand where the guy from Sacramento is coming from when he says he wants Georgette Parks to take it up the ass ("Dateline," *40Something* #203), but I think this is an example of "give them an inch and they'll take a mile." With all of the pleasure Georgette has given us and everything she has done, she shouldn't be pressured into doing anything she doesn't want to do. If Georgette wants to have anal sex, I'm sure we'll be the first to see it.–C.J., Philadelphia, Pennsylvania

A YOUNG READER WHO KNOWS WHERE IT'S AT!

Dear *40Something*,

40Something #203 kicked so much ass because it showed so much ass! Bea Cummins' new layout is to die for. I just love her arms and her wrinkles. The pics of her taking her clothes off at the doctor's office are freaking great!

Marina Johnson's layout is pretty hot. Her tits are great, and the blue outfit she wore is phenomenal. I would've gone to church more often if I saw women like her there.

Demi LaRue's new layout is way better than the last one. Thank you for showing this smoking-hot redhead. I love her lingerie, and the pics of her sucking dick are bad-ass. I love that a 21-year-old got to fuck her ass, mainly because I'm 21. I only wish I could find a girl like Demi in my town. I only wish I could go to Tampa to meet Demi. I've been jacking to her pics since last March or so. I can't believe one lucky fan got to sleep with Demi and Georgette.

Cassy Torri's layout was great! Her smile and modeling are what makes us like her. She has huge big breasts as well. I can't stop jacking to her.

The "Golden Girls" pictorial about women over 60 was awesome. Please have this in every issue. Suzie Wood is one of my favorite new GILFS. What a fox! I was so glad to see Anneke. That bitch has a fine asshole I desperately

Marina Johnson is a former Sunday school teacher!

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

Anneke spreads her ass, Luna gets very wet, 70something Sandra Ann spreads and Demi takes it from behind.

want to break. Please bring back Lin Boyde for another layout. I can never get enough of her. Also, glad to see Sandra Ann again.

My favorite women in this issue is Luna Azul. She is probably my favorite MILF ever. Nice smile, nice piercings, nice ass and nice eyeliner. Everything about her turns me on. My favorite pic is of Luna wetting herself and enjoying it. She even puts the hose on her pussy. What a tease! Those piercings are another reason I like her so much. The see-through panties and her necklace are a plus, too.

Kira Lynn really knows how to deep-throat a cock. I like how she uses her tongue for a better effect.

Summeran's new layout kicked ass. I bought the DVD *50Plus MILFs Anal Edition*, and it was great. She has a big white ass (a very rare find), huge tits and a great smile. I'll be looking forward to seeing her perform for you again very soon. I like the emotion she puts up in her performance.–D.A., Fort Stockton, Texas, via email

AN INVITATION TO ANAL SEX. PLEASE RSVP ASAP.

Dear *40Something*,

I don't know if anybody noticed this (or if it was done intentionally), but there was a recurring them in *40Something* #203, and I loved it: your models grabbing a butt cheek with one hand and pulling it aside to expose their assholes. Marina did it on page 21. Nastaya did it on page 40. Cassy did it on page 46. Luna did it on page 66. It's even better when the model looks back at the camera as to invite us inside, as all of these models did.

I don't know if this is going to become a regular photo, but I hope it does!–E.D., Milwaukee, Wisconsin, via email

Dear E.D.: In the case of Nastaya and Marina, the invitation is real! Nastaya gets fucked in her ass in the new DVD Fuck My Old Ass #4. *See a preview on page 12 of this issue. Marina takes it up her ass in photos and video online at* 40SomethingMag.com. *As for Luna and Cassy, we can wait and hope.*

FROM SUNDAY SCHOOL TEACHER TO SUPER MILF!

Dear *40Something*,

I had already cum five times over Marina Johnson's pictorial in the November issue (*40Something* #203) when I decided to read her interview. Holy shit! When she got to the part about her ex-husband being a church deacon and her being a Sunday school and vacation bible school teacher and singing in the choir, my cock sprung right back to attention, even though at that point, I thought my balls had to be totally empty. I imagined her standing in front of a Sunday school class with her sharp nipples straining against a conservative, white bra and her pussy pantiless

If 41-year-old Nastaya is offering us an invitation to anal, then we're accepting it! This sexy wife debuted in issue number 203.

under her long, flowery dress, and before I knew it, I was stroking and shooting another load. Holy shit!–T.L., address withheld, via email

HEY, *40SOMETHING*, GET YOUR FANTASIES RIGHT!

Dear *40Something*,

Bea Cummins' patient-doctor fuck in the November '10 issue (*40Something* #203) was great, but I think you had it backwards. Since very few of us will ever be doctors and all of us have been patients, the fantasy is for the man to be the patient and the MILF to be the sexy, mature doctor who gives him the most thorough checkup he's ever received, including his testicles and, if possible, his rectum. In your nurse fantasies, the woman is always the nurse and the man is always the patient. The same should hold true in doctor-patient fantasies.–M.B., Raleigh, North Carolina

WILL WE STILL SEE 50S & 60S IN 40SOMETHING?

Dear *40Something*,

I very much enjoyed the first issue of *50Plus MILFs* magazine (*SCORE* Special #198) and am looking forward to future issues. But as a long-time reader of *40Something* (I read it back when it was called *30Something*), I'm concerned that with a new magazine devoted to women in their 50s and 60s, we're going to see fewer 50-year-olds

and 60-year-olds in *40Something* because you're saving them for the other magazine.

Please tell me this isn't true, because if it is, you'll gain a *50Plus MILFs* reader but lose a *40Something* reader.–S.B., Woodland, California

Dear S.B.: We could reassure you that that's not going to happen, but instead, we'll just give you the facts: 40Something *#199 had four women who were over 50.* 40Something *#201 had five MILFs over 50.* 40Something *#203 had four women over 50, plus a "Golden Girls" special. The issue you're holding in your hands has three 50somethings and a 60something. In other words, nothing has changed in 40Something, and we still have plenty of quality 50somethings and 60somethings to go around.*

SHE DOES DILDOS RIGHT!

Dear *40Something,*

I think Jenny Hamilton settled the dildo debate with three photos in the November issue (*40Something* #203). Cramming those huge toys up her tight holes, Jenny showed how dildos are done right!

Many times, dildo insertion (and even finger insertion) blocks our view of the woman's pussy, ruining everything. In one of Jenny's photos, she pulls the dildo aside so we can her cunt wall gripping the toy, and in another photo, she pulls the anal plug aside so we can see the wall of her asshole. This is the way it's properly done.

Jenny proved in her pictorial that she knows how to use dildos and that she loves fat cock.–L.S., via email

Birthday: April 11
Age: 40
Height: 5'7" **Weight:** 126 lbs.
Lives: Los Angeles, California
Marital Status: Divorced
Occupation: Model

"I have a few sexual fantasies," said newcomer Katrina Kelley. "Group sex with twins. Having multiple guys cum on me. They can cum on face or my tits, it doesn't matter. I plan on experiencing every one of my fantasies." Katrina decided to model for *40Something* to celebrate her 40th birthday and fulfill another fantasy. She even fucked for 40SomethingMag.com. "I have no intention of having a mid-life crisis," she said. "Maybe 20 or so years ago, I would have hesitated to get naked in front of the camera for all the world to see, but I'm well past the stage of hangups and worrying about what other people think. This MILF is just getting started!"

Katrina is an active woman who doesn't spend much time in front of a TV set. She enjoys kayaking, tennis and adventure travel, collects art and antiques and dreams about driving a Maserati and flying a plane. She likes confident men who have good manners, and she needs to be romanced a little. "A romantic dinner is always nice," she said. "Let's get to know each other before we jump into bed."

storemags.com

Obviously, Katrina isn't shy. She willingly opens up her wet, meaty pussy lips for the camera and spreads her ass. Yes, she knows you probably have your cock out, and if you don't, "What are you waiting for?" she said, rubbing her soaked snatch. "I don't always want to be treated as a sexual object, but when I'm naked and spreading in front of a camera, then yes, I definitely want to be treated as a sexual object. I want you to fantasize about eating my pussy and fucking it deep, about how it would feel."

Now that we've established that Katrina isn't shy, we'll tell you that she once had sex on the fire escape of a high-rise hotel. "Believe me, people were watching us," she said. "It was nighttime, but everyone could see what we were doing. That made it even better. I was half-afraid that somebody would call the cops and half afraid that the cops would come before I had the chance to. It was pretty crazy! I was holding onto the fire escape, and he was banging my pussy from behind, slapping my ass, and you could hear the echo off the building. That was definitely the wildest thing I've ever done." Until now, that is. "You can tell how much I'm enjoying this," she said. "See how wet my pussy is? Now, boys, are you ready to cum?"

The name is de Sade. Catherine de Sade. As in Marquis de Sade, the 19th century French revolutionary who advocated total sexual freedom, no matter how kinky it got. Catherine is definitely an advocate. One of her hobbies is going into peep-show booths and sucking off strangers through glory holes. And her definition of a recent five-way she had with four guys? "Eight or nine guys is a gang bang. Four is more like a nice get-together." We asked her if she has any other fetishes, and she answered, "Do you have a few hours?" We asked her about her sexual fantasies and she said, "Yes, and they usually involve multiple people. Lots of bondage and captivity situations, too." Get the picture? So what is Catherine doing in the pages of *40Something*? "Something most women won't do," she said.

Catherine is a fitness buff, and she works out every day. "I like to have a lot of high-energy sex, and to do that, I have to look right and be in good shape," she said. "My body is built to attract men and keep up with them when the fun starts." Catherine has fucked in some offbeat places, but her wildest sexual encounter was in an adult theater. "My guy bent me over a bench, lifted my skirt, took off my panties and told the men to line up and take a turn. There were like 20 guys, and they coated me in cum!"

Catherine's slutty side is on display right now at 40SomethingMag.com. "Wanna stick that big dick in my ass?" she asks her stud. "Yeah," he says. "I'm gonna enjoy taking that big dick up my ass," she says. "Are you gonna fuck me hard?" "Real hard," he responds. "As far as I can go." And how far is that? Balls-deep. The way Catherine likes it. "I don't like when men short-stroke my pussy or my ass. I want that dick all the way in so your balls are slapping against me. I want every inch of cock meat!"

"I'm spreading my cunt so you can jack your cock and squirt your cum inside my gaping hole," Catherine said, as good an invitation as we've ever heard. "I know there are thousands of you guys out there looking at my pictures, and I'd like every single one of you to fuck my pussy and shoot your spunk deep inside of me." Catherine, that can be arranged. "Fine with me," she said. "Bring 'em on!"

Ciara Blue

"My friends at the country club would never approve!"

INTERVIEW BY DAVE ROSENBAUM

As Ciara was shooting these photos and sitting down for this interview, her husband was back home in Atlanta, Georgia, wondering what his wife was doing, knowing she was doing something most wives don't do…and that she was enjoying it. Because Ciara, who just turned 50, has wanted to do this for a long time, but her hubby? He wasn't so sure he wanted to turn his wife loose. But you know what they say…you can't keep a horny woman down.

Ciara, a sweet-talking Southern belle from Atlanta, Georgia, is our favorite kind of MILF: the kind that isn't a porn star, isn't a stripper, isn't in this for the money. She's here, right in front of your eyes, because she's fulfilling a fantasy.

"I'm not sure every woman wants to do something like this, but I know I did."

For the record, Ciara is 5'1", 115 pounds with DD-cup tits. She's fortunate that she has a husband who isn't controlling and is willing to let her live out her fantasies. But, right now, after you're finished looking at these pictures, you can see Ciara fucking a stranger–a man who's not her husband–at 40SomethingMag.com. She gets fucked in a variety of positions, then takes a load of cum on her very nice tits. She seems almost…grateful! But can her marriage of 20 years survive this? How will her hubby deal with his wife's sudden ascension to porn stardom?

"He'll be fine," Ciara said, smiling. "After I fuck him."

These horny MILFs…they always get their way.

40SOMETHING: Hi, Ciara. Welcome to *40Something*. It's great to have you.

CIARA: Thank you. It's wonderful to be here. I'm very excited.

40SOMETHING: Now, we were talking before, and you said you're a nudist.

CIARA: Yes.

40SOMETHING: For how long have you been a nudist?

CIARA: Since I went to Jamaica about eight years ago. We stayed at an all-inclusive resort in Jamaica, and it had a nude side and a prude side. That's how people referred to it. And my husband and I just wanted to try it, so we booked it and flew to Jamaica, and the first night, we were on the prude side, and everybody on the beach had clothes on, so we went to the front desk and they said, "You have to stay on that side for the night, then we'll move you." We wanted to be on the

nude side. So my husband said, "Why don't we just walk over to the nude side and see what it's like," since we were going to be there the next day, anyway. And we walked over there, and it had its own pool, its own clubhouse, its own beach and everything. It was beautiful, and everybody was walking around completely naked. Swimming naked. Using the swim-up bar and having a ball. And I looked at my husband, and he looked at me, and we looked at the bartender and said, "Where can we change clothes?" And he said, "Right here!" So we stripped naked and got in the pool!

40SOMETHING: Completely naked?

CIARA: Completely naked, right then and there!

40SOMETHING: You had never been to a nude beach before that?

CIARA: Never. I'd never gotten naked in public before. Nothing like that.

40SOMETHING: And you went from prude to nude in seconds!

CIARA: That's right! And the difference in people on the nude side vs. the other side was like night and day. Everybody there who didn't have on clothes was friendly. I'm not saying the people on the other side weren't nice, but they weren't as free and easy, if you know what I mean. The people on the nude side didn't have any hangups. And we talked to complete strangers and met wonderful friends, and, of course, nobody's there for a fashion show.

40SOMETHING: Obviously not!

CIARA: And they had themed parties

every night, and once a week, they brought the grill over to our clubhouse and catered to us for one day for lunch. For the parties each night, we did dress up. We had to dress up to go to the other side, which is where they had the restaurants and the disco and the piano bar and stuff like that.

40SOMETHING: Where was this resort?

CIARA: It was in Jamaica, about an hour and a half from Montego Bay.

40SOMETHING: So the first time you went nude like that, you really liked it.

CIARA: Oh, absolutely! I hate bathing suits. Always hated them. There's nothing worse than a wet bathing suit! Have you ever tried to get the wet bottom of a bathing suit up and down to go to the ladies' room?

40SOMETHING: I can't say I have.

CIARA: It's very difficult, but at a nudist resort, you don't have to worry about that. You don't have to worry about your clothes at all. My husband and I

StoreMags.com

liked it so much, we went back every three months. I've been to Jamaica nine times since then.

40SOMETHING: That first time you were walking around the beach naked, were you checking out other people and seeing how you compared?

CIARA: No, because it was just so natural. I couldn't tell you what anybody looked like. You just don't look at them like that. You look at their faces. They're a person. They're not a naked being that you have to gawk at. And every other place I've been to has been that way.

40SOMETHING: Now, it was nudists in Jamaica, not swingers?

CIARA: No. Just nudists. Swinging was against the rules. They had 24-hour security on our side, and anybody who got any bit out of line was kicked out.

40SOMETHING: Was there any swinging going on at all?

CIARA: I'm sure there was. But my husband and I weren't doing any swinging. There was a hot tub way back in the woods, and the swingers would go back there at night and do their thing. I visited it but did not participate.

40SOMETHING: Are you a swinger?

CIARA: No.

40SOMETHING: Now, you're married. Is this your first marriage?

Storemags

CIARA: No, it's my second marriage. We've been together for 21 years.
40SOMETHING: Congratulations!
CIARA: Thank you. As for the swinging, we did try some soft swinging.
40SOMETHING: What do you mean?
CIARA: Touching, playing, kissing. No penetration. No sex.
40SOMETHING: But…
CIARA: We did it for a couple of months, and it's kind of like you let the genie out of the bottle. It's fun at first, then it's not so much fun, and I was having more fun with it than he was. It caused a little bit of a problem. We started out with just girl-girl and he would watch me and another woman have sex, and he was fine with that, but he didn't want it to go further.
40SOMETHING: So you like girls.
CIARA: I like girls a lot. I'd like to have sex with girls as often as possible.
40SOMETHING: So what happened with the swinging?
CIARA: He was fine with it at first, and then he said he wanted to take a break. We had put a profile up on two swingers websites. That's how people contact you about getting together to swing. But he decided he wanted to take a break, so he took us off that site recently. When you're married, swinging is the kind of thing that works only when both people are into it and enjoying it.
40SOMETHING: I get the impression that you would like to swing.
CIARA: You know, it doesn't really matter to me one way or the other. I can take it or leave it because it's not meaningful. It's sport fucking.
40SOMETHING: But you never went as far as fucking other people?
CIARA: No.
40SOMETHING: So you're basically in a monogamous relationship, other than what you're doing here today.
CIARA: Yes. My husband is my soulmate. He's my best friend.
40SOMETHING: So tell me, how did you end up at *40Something*?
CIARA: I ended up here because I do some personal website stuff. My husband bought a camera, and he's really into it. It's sort of a hobby, him taking pictures of me, and he posts the sets on our site every day. So that's how I got into it. And one of the people in your studio saw my pictures and contacted me by email and asked me if I'd like to do a shoot, and I said, "I would," but I chickened out the first time.
40SOMETHING: How come?
CIARA: Because I've never done anything like this! It was kind of scary. I mean, it's one thing to do it for your own little website. It's another thing to do it in a magazine that's seen all over the world and on a big, gigantic website. But then my husband and I talked about the rules and decided that I could do it.
40SOMETHING: The rules?
CIARA: The rules about what I want to do and what I don't want to do, and what he doesn't want me to do, either. I don't like anal sex, and I don't like swallowing. I don't like people stepping on my face or any of that rough stuff that you see sometimes. And once we had those parameters set up, he was a little bit better with it. And I told him, "It's just a one-time shot for me. I'll probably never do it again, but I have the opportunity, and I just think I would be remiss if I couldn't say, 'I've been there, done that' just once.'"
40SOMETHING: How would you describe your emotions right now?
CIARA: I'm excited and nervous. Does that make sense? I'm not nervous about having my picture made because I'm comfortable with that. I'm nervous about being with some other guy who I don't know. That's kinda scary.
40SOMETHING: When was the last time you had sex with a man other than your husband?
CIARA: Twenty years. Maybe more. Our 20-year wedding anniversary will be this coming May. We lived together for a year and a half before that.
40SOMETHING: So you're figuring you'll do it this time in our studio and that'll be it?
CIARA: Yes, probably. Unless I do some girl-on-girl. I really like girl-on-girl.
40SOMETHING: What if you really like having sex on camera here?
CIARA: I don't know. I guess I'll have to worry about that with him later if that's the case.
40SOMETHING: Because you realize that you might, right?
CIARA: I might, but I probably will just think, "Okay. You did it. You got it out of your system. Now it's time to grow up and go on in the real world." *[Laughs]* I'm not planning to run off and become a porn star or anything like that!
40SOMETHING: Well, now you're 50. Time to do some things that you've never done before.
CIARA: I wanted to do it by the time I turned 50. Fifty is like…well, you remember when your mother turned 50, and I don't feel 50. I don't know what 50 is. My husband just turned 55.
40SOMETHING: I get the impression that your husband isn't totally thrilled about this.
CIARA: He's not, but he doesn't hate the idea, either. If he did, I wouldn't have done it at all.

Connie

Birthday: March 17
Age: 55
Height: 5’7” **Weight:** 124 lbs.
Lives: Newport Beach, Calif.
Status: Divorced
Occupation: Real estate

Here’s Connie McCoy, who has grown children as well as a lot of friends and relatives who would be shocked to see her here, having sex on camera. The truth is, Connie is kind of shocked to see herself here, too. “I’m 55, so it’s a rush to think I can still turn somebody on,” she said. “I feel like I have some kind of expiration date on my back.”

There is absolutely no expiration date on sexy, sensual, woman-next-doorish MILFs who can suck cock like Connie can. “I like to be taken by a man,” Connie said. “I enjoy being told what to do and then pleasing him above and beyond. That’s why this is fun. I get to have sex. I don’t have to pick up anyone. I don’t have to drop them off. I don’t have to cook for them. Don’t get me wrong. I actually like cooking. But at this point in my life, I’d rather have sex with a guy than go out with him. I don’t need intimacy right now. I like sex for the sake of sex. That’s why this is perfect. I’m not looking to get married again. I’m not looking for a relationship. I just want to fuck.”

Storemags com

Connie is a former dancer, and as you're about to find out in the centerfold, she's very limber, bringing her legs all the way back behind her head for some deep pussy fucking. "I was into tap, ballet and jazz," Connie said. "I did it for years. I'm scary flexible. Of course, I never thought that I'd be using my flexibility in this way." Connie laughed when she said that. Connie laughs a lot, especially when she's nervous or excited. She was both at the start of this shoot, but she quickly got into it. "There were times when I forgot the camera was there," she said. "But then I'd open my eyes, see it and think, 'Connie, what are you doing?'"

"People who know me wouldn't believe it even if they saw me here," she said. "I'm conservative, Catholic, Irish...no, it wouldn't happen." But it *is* happening, and Connie is enjoying her newfound stardom (she's one of the most popular MILFs at 50PlusMILFs.com). "I'm flattered, but most importantly, I'm having fun," she said. "I'm doing something I never would have dreamed of doing, and it's a blast!" And speaking of blasts..."Yeah, I like that, too!"

The naughty adventures of a 60something swinger!

By Georgette Parks

Hi, all you horny guys out there. Another two months have flown by already! I feel like I'm busier now than when I was working full-time!

As you know, I have a significant other in my life now, and we spent the summer at a cabin deep in the woods getting to know each other better and more intimately. We took the whole summer off from swinging so we could enjoy each other to the fullest. Whatever we are doing, it's working out very well!

Before I go on, I would like to thank you for all your letters and comments They are greatly appreciated.

To answer L.K: I really don't spend every minute of the day thinking about sex. I actually do have other interests. I enjoy sex immensely and could fuck every single morning, noon or night, but I'm afraid that doesn't quite happen all the time. Other things in life do get in the way!

A lot of you have been asking me about blow jobs and how I like to give them. As you know, I love to suck cock. I have never gone into depth on this subject and thought perhaps I could explain what I do when I am sucking. Maybe you can get your wife or girlfriend to read this article, and she can give blow jobs like I do!

I don't always dress in sexy lingerie. Sometimes I dress like every other woman…and then I get naked! These photos were taken at the condo of a friend I was visiting.

I almost always deep-throat cock, but I need to get you hard first. I can either have you lie flat on your back or you can stand and I'll get on my knees. What I don't like is the 69 position. I can't concentrate on really sucking your cock if you are eating my pussy at the same time. And I can't enjoy your eating my pussy as much, either.

It's best if we are in line with a mirror so you can watch me. I usually start out by massaging your balls a little and maybe sucking and licking them to get you started. I take your cock in my hand and lightly stretch it up and down. I will start by licking your cock from bottom to top, front and back. Then I'll lick the tip with my tongue, then circle my tongue around the tip several times, then slowly put your cock in my mouth and lightly suck the tip and very slowly work my way further down your cock, gently moving up and down. In a way, I am trying to tease you and get you really aroused.

After I have you aroused and hard, I start going further down with my mouth until your cock is hitting the back of my throat. At that point, I will actually try to swallow your cock,

This is definitely the kind of lingerie I might wear to a swingers party…or just around the house when I'm trying to get my man's attention, which is all the time! I'm always in the mood to fuck, morning, noon and night!

Stiletto

which gives the blow job a different feeling. I keep working your cock up and down in my mouth and will eventually go faster and faster, intermittently working my hand up and down your cock, too. By now, you are telling me how great it feels and how good I am at sucking. I'll continue to work my tongue up and down your cock while it's in my, mouth, making sure I hit your tip on every upward suck. At the same time, I also continue to massage your balls.

By now, you are ready to explode, but you tell yourself to hang on a little longer. You are moaning and groaning as well. You are ready to put your cock in my pussy, or I'll tell you that you can cum in my mouth or all over my face. It's your choice. Of course, if you do cum in my mouth, I will swallow all your cum. Some guys cannot resist having me swallow their cum and others want my pussy too much. Of course, there are men who will fuck me and make me cum, but when they are ready to cum, they will pull out and put their cock back in my mouth for the final climax. These guys are smart and get the best of both worlds!

Now back to me and my new guy. After getting back to our normal schedule and settling in with each other, we have started swinging again, but not every week. We have a good time at almost every party we go to. We never go to a party with great expectations because once in a while, we just can't find anyone that we click with, especially couple to couple.

The last party we went to was attended by about 10 couples, which is normal. Most homes cannot accommodate many more people than that. Being in a normal neighborhood, couples must be discreet in the way they are dressed going into the party. However, once inside, most of the ladies change into something sexy and revealing. Some ladies wear teddies, panties, bras, corsets, stockings and garters or tight sexy dresses, etc. Everyone is always asked to bring a dish for everyone to share, plus whatever they are drinking. The host usually supplies mixers and a main dish such as a ham, grilled chicken, burgers or chicken wings. No one ever goes hungry! The parties usually start around eight p.m., so eating

sometimes doesn't happen until after everyone has had their fill of sex.

My boyfriend and I happened to be in the hot tub at the latest party, just enjoying conversation with several other couples. We do have some intellectual conversations at these parties, you know! It's not all about sex all the time! Eventually, one thing led to another, and I started playing with the cock of the guy sitting next to me while my guy zeroed in on one of the ladies, fingering her pussy and kissing her. Another lady decided to get in on the act and was playing with my guy's cock as well.

I told the guy I was playing with to sit on top of the hot tub so I could give him a blow job. The lady seemed to follow my lead and started sucking off my guy as well. While I was on my knees sucking this guy, some other guy came up to me from behind and started fucking my pussy. Of course, he made me cum, and at that point, I suggested we all go to a more comfortable place. The ladies who were playing with my guy followed suit.

This was one of the rare times that I have been involved in an orgy. Three ladies and three guys going at it at the same time…wow! I had cock in my

I know what you naughty guys are doing. You're looking up my skirt!

mouth, cock in my pussy and someone sucking my tits at the same time. Everyone kept changing partners. At one time, one of the ladies was even eating my pussy while she was getting fucked from behind.

My biggest problem with an orgy is that I don't concentrate enough on getting fucked to fully enjoy what's happening to me and I don't cum as well or as often. I know you feel sorry for me, right? What a problem! Give me a break, it was a blast! To my amazement, I actually ended up having my guy fuck me from behind while I sucked another guy's cock. Who would have known? The last guy I sucked off actually came in my mouth and on my face. Sheer heaven for him!

When we were all spent, we marched off to the bathroom, where four of us took a shower together. It was kind of fun to wash each other's private parts after fucking together then drying each other off. Then it was time to march around naked, see who else was fucking and grab a snack to fortify us for the next round of play.

I guess that's enough sex for this time around. Keep those letters with comments and questions coming. Until next time, enjoy each day to the fullest. Love life and fuck as much as you can.–Love, Georgette

Every issue of *40Something* is special, but how often do you see a 60something mother and her 40something daughter fucking in the same issue? Never, that's how often. But later in this issue, 45-year-old stunning Cassy Torri eats dick and gets her MILF pussy fucked. And here, Cassy's sexy 67-year-old mother, Miranda, enjoys getting filled with dick. We could call this the "All In The Family" issue!

Storemags

"My daughter modeled for *40Something* and had a good experience, so she asked me if I'd be interested in doing this type of modeling. I told her, 'Yes, I would.' So here I am!" Miranda said. "Cassy knows how open-minded I am and that I've always liked to party. I took her to parties with me when she was old enough, and we had a good time. We've always had an open relationship. I don't judge what she does, and she doesn't judge what I do."

In this pictorial, Miranda is getting fucked by a big, black cock. That's nothing new to her. "I'm living with a guy," she said. "He just turned 30, and he's a hung, black stud. He's about nine and a half inches and thick. I met him at the gym. I was lifting weights, and he came over and asked if he could show me the right way, and I said, 'Sure.' And then he wanted to know if he could come over to my house and have a few drinks, and I said, 'Sure! Come on over!'"

Of course, when Miranda's new, young, hung friend came over to her house, there were more than drinks on the menu. "I had on a pair of short shorts and a tank top. We went to the living room, and he started ravishing me. He told me to take off my clothes, and I did. Then he started going down on my pussy, then he took out his hard cock and started fucking me." We asked Miranda what her daughter would probably do in the same situation, and she said, "Same as me, I hope. I taught her to always go after what she wants. But you know what? I think her mom's a little bit naughtier!"

"I own a dungeon. That should tell you something," said Brooke Tyler, a divorcee who's turning the phrase "middle-aged mother of two" on its head. "I like to tie older guys up and make them watch me fuck young studs right in front of them. I know what you hear about cougars and MILFs. Most of them are just posing. When you run into me, you've found the genuine article."

As slim 'n' stacked MILFs go, you're not gonna do much finer than DD-cup tits with a 24-inch waist. You can wrap your hands around Brooke's waist, drop her gently on your hard-on and pound away. And she'll love it. "One time, I went to a male strip club with some of my girlfriends," Brooke said. "One of the dancers took me to the private couch room, which wasn't so private. I ended up fucking him in front of the whole club until management made us stop. They said we were taking all the attention away from the other dancers. We didn't get to finish until the next day, and when we did, it was over-the-top great. I had huge orgasms." Later, she went home and played with herself. "I love my magic bullet, but nothing beats a big, hard, real cock."

“My nips are always hard, just like my clit,” Brooke said. “I dress as sexy as I can get away with. I love to get stares from all the guys, and I love to get glares from all the wives and girlfriends. I work hard to keep my body hot and sexy, and, I’m going to show it off!” So show your appreciation. “Jack for me, baby,” she said. “Show me that you like it!”

Ciara Interview

continued from page 44

40SOMETHING: Are you going to go home and look at your photos and watch your hardcore video with him?

CIARA: Yeah, I probably will. He might watch it first without me, then he'll watch it with me. *[Laughs]*

40SOMETHING: So you wouldn't call him a voyeur?

CIARA: No.

40SOMETHING: Would you call yourself an exhibitionist?

CIARA: Somewhat. I like dressing up and posing in front of the camera. I like dressing sexy. I definitely like the idea of men looking at me and finding me sexy. I like the idea of being in this magazine.

40SOMETHING: Would you describe yourself as a highly sexual person?

CIARA: Oh, yeah. Highly sexual. My husband and I have awesome sex, and we have it sometimes twice a day. Many days twice a day. Sometimes more. And we'll do it all over the house.

40SOMETHING: Does he usually initiate sex or do you?

CIARA: Both. It's about 50-50. We never say no to each other, although we don't have to. I'm always in the mood, and so is he.

40SOMETHING: Will you walk around the house in sexy outfits?

CIARA: We're usually naked in the house. I like to vacuum naked and iron naked. My body tends to run hot. I'm hot all the time.

40SOMETHING: You're telling me! So if you're doing chores around the house, will he just walk up to you and start something?

CIARA: Yeah. I'll be ironing, and he'll just walk up behind me and stick his dick between my legs. You know how guys like to play helicopter? He does that. It's fun. Or he'll be watching TV, and I'll walk up to him and kneel between his legs and give him a blow job, and sometime it'll just be a blow job, and sometimes we'll have intercourse. It's kind of exciting, never really knowing when you're going to have sex or how. We just do it whenever the feeling hits, which is almost all the time.

40SOMETHING: Do you work?

CIARA: Yes.

40SOMETHING: What do you do?

CIARA: My husband and I have our own company. It's a construction company.

Becca Rose

Birthday: January 20
Age: 48
Height: 5'4" **Weight:** 122 lbs.
Born: Okinawa, Japan
Lives: Louisiana
Marital Status: Married

When it comes to sexual fantasies, Becca Rose's bucket list is just about empty. "I have lived them all," she said. "When I masturbate, I recall images from my past encounters. I'm more into fulfilling the fantasies of others than pursuing my own." But there was one fantasy she hadn't lived out until now. A fantasy she and her husband shared. "I always wanted to model for a men's magazine. The wonderful thing is that now, I get to fulfill my fantasies and the fantasies of all of you who are looking at this."

Yes, this is Becca Rose's first time on camera, and she described herself as nervous but excited. She says that most of her sexual encounters outside of marriage have been arranged or instigated by her husband, and this one was no exception. Becca's hubby sent in her photos. We wasted no time flying her into Miami. But first we said, "Whatever you do, please don't shave your pussy."

"I don't shave my bush because I like it natural," Becca said. "I like it, my husband likes it and every man I've ever been with likes it, so I think I'll keep it. Unless some horny man really wants to shave it off! Then I'll let him do it, but I'll definitely grow it back." One of the highlights of Becca's video at 40SomethingMag.com is when her stud goes down to eat her unshaven cunt. Becca is wearing pantyhose, but the dude doesn't take them off for her. He's in too much of a hurry. He rips a hole in them so he can get right at her furry, Asian cunt. "Do you like my hairy pussy, baby?" Becca says. "I can't wait till you fuck it." Of course, he does. "I have nothing against shaved pussies," Becca said. "I just like having mine hairy. Guys say my pussy hair tickles their cock when they're fucking me. The good thing about my pussy hair is that it's soft and furry, not hard and bristley. Men like running their hands through it."

storemags.com

Becca has done a lot. In high school, she blew her Spanish teacher's husband. On a recent interview for a part in a film, she fucked the producer in the bathroom. "I've had my husband and the lead singer of a band in my pussy at the same time," she said. "I have seduced and been seduced from a dance floor to have sex while my husband films the encounter." And now, she's done this.

Lives: Riverside, California
Marital Status: Divorced
Occupation: Accountant

Misty calls herself a "cougar on the loose." That's a very good thing, especially if you have a taste for mature women who love to fuck. Which Misty does. Otherwise, she wouldn't have strolled into our studio, freshly divorced, taking a few days off from her day job as an accountant to get naked (and have sex) on camera for the first time. "It's very exciting," she said. "Until now, the most exciting thing I've ever done was fuck on the front porch of my mom's house with my high school boyfriend, and that was a long time ago. Oh, and once I fucked a guy in an adult novelty store booth. But I'm sure a lot more women have done that than done this. I feel very special."

storemags.com

Misty said it never occurred to her to send her pictures to a men's magazine because "I never thought anyone would want to see a 50-year-old woman naked." But then she spotted our "Models Wanted" ad on the back of a recent issue–"I was just browsing in an adult novelty store"–and decided to send in some test shots. "I was thrilled when your studio person called me. My pussy was soaking wet the whole week before I came in."

You can see Misty's gaping pussy getting fucked hard right now at 50PlusMILFs.com. "I wish I could show it to everyone at work, but I guess that wouldn't be appropriate," she said. "I'd love to show everyone what I did and how exciting it was. But that would probably get me fired." Or fucked by one of the guys at work. "Everyone there suspects that I'm a slut. I guess now they have the proof!"

Ciara Blue Interview

continued from page 70

We do re-models and realtor work when a realtor gets a house inspected.

40SOMETHING: By the way, where are you from? I can't believe I'm just asking this now.

CIARA: I'm about 55 miles from Atlanta. I'm basically a small-town girl. I've been living in the same town since third grade. But what I'm doing here is like a secret world. Nobody knows. People I know think I'm here to visit my friend from Long Boat Key.

40SOMETHING: Do you really have a friend in Long Boat Key?

CIARA: Yes.

40SOMETHING: Does she have any idea that you're here?

CIARA: No.

40SOMETHING: Would she be shocked that you're here?

CIARA: She's a nudist, too, but she would be shocked, yes. I have vanilla friends, and I have my other world of friends, and most of my friends are vanilla friends. They're not nudists, and the women would never think of coming here. At least I don't think they'd ever think of coming here. Who knows? Maybe they have a secret side, too?

40SOMETHING: Well, do you think the vanilla friends suspect that there's another side to you?

CIARA: I think probably they do because I've always been just a little bit wilder than everybody else at the country club. I'm the one who doesn't wear panties to the country club luncheon.

40SOMETHING: How do they know?

CIARA: They just know. I've never made any bones about it. I just think panties are a waste of time and energy.

40SOMETHING: How about bras?

CIARA: No bras. I had my boobs done so I wouldn't have to wear a bra. No bras, no panties.

40SOMETHING: When you go to the country club, what are you wearing?

CIARA: I just wear a dress or a tennis dress, and I do wear bloomers under my tennis skirt.

40SOMETHING: Too bad!

CIARA: I don't want to get kicked out of the country club, you understand!

40SOMETHING: You could wear a G-string under there.

CIARA: [*Laughs*] I'd still get kicked out! Many of the members there are very uptight. I think I'd probably get kicked

out if anybody found out about this.

40SOMETHING: I think you'd get a warning first.

CIARA: Not there I wouldn't. I'd get kicked out.

40SOMETHING: So this country club you go to is a fancy-schmancy place. Noses up in the air. Blue bloods.

CIARA: Oh, yeah. All blue bloods. Very proper, very conservative, very professional. Lots of rules. There's no rule about not posing nude for a men's magazine because none of them would ever dream of it.

"If you can call a woman who has sex in front of a camera conservative, then I'm conservative!"

40SOMETHING: How do you dress when you go out shopping?

CIARA: I usually wear a dress or shorts. I just don't wear panties.

40SOMETHING: Sexy clothing?

CIARA: No, probably not. Well, I have some of both. It depends on my mood. Today, I wore a pair of Ann Taylor Loft shorts and an Ann Taylor Loft tank top. That's not what you'd really call sexy when you're shopping at Ann Taylor. And I work at the Loft for about 12 hours a week. They don't know about this, obviously. They don't know I don't wear underwear, either.

40SOMETHING: I love that you have this hidden side to you.

CIARA: *[Laughs]* I do, I do!

40SOMETHING: Do you like having a secret side?

CIARA: I enjoy it. It's not really the secret part that I enjoy, though. I just like that lifestyle. Just free and easy. I'd be just as happy with it if I didn't have to keep it secret. I'd probably prefer it. But I guess having this secret side does make it a little more exciting, a little naughtier.

40SOMETHING: You say you've been doing the nudist thing over the past nine years. Do you think you've changed at all over the last nine years?

CIARA: Yes, I've changed. Ever since that very first trip to Jamaica. That changed a lot of things for my husband and I and our relationship, just as far as coming out and not being self-conscious and not being shy. You might think, "Gosh, I'm going to a nude beach, they're all beautiful people." They're not all beautiful people. They're fat and they're skinny and they're tall and they're short and everything in between, and they're old and they're wrinkled. They're just, plain people. They're just not wearing clothes.

40SOMETHING: Before nine years ago, did you wear panties?

CIARA: I did.

40SOMETHING: Bras?

CIARA: Yes. I've really changed. But it's been gradual.

40SOMETHING: Do you have kids?

CIARA: I have one daughter. She's 27.

40SOMETHING: And she would be surprised to see you here?

CIARA: Yes. But she does know that my husband and I swim naked in our backyard, and she does partake in swimming in the pool nude with her husband. And she knows we go to Jamaica and go to the nude beach, but this? No, she doesn't know about this. I think this

time, her mother would really shock her if she knew what I was doing here!

40SOMETHING: You know, compared to some women who come in here, you're not very wild.

CIARA: I'm sure I'm not!

40SOMETHING: We get swingers, women who like gang bangs, porn stars, women whose husbands enjoy watching them have sex, women who walk around wearing super-sexy clothing, women who are into all kinds of fetishes, like pony play. You're not anything like that.

CIARA: No, no! I'm probably the opposite of them. I'm conservative compared to them. I mean, if you can call a woman who goes off and has sex with a strange man on camera conservative, then I'm definitely conservative, although I definitely am into a few fetishes. Leather. BDSM. But nothing crazy. My fantasies are a little wild, like having sex in a doctor's office or in a helicopter.

40SOMETHING: What do you like to do, non-sexually?

CIARA: I love to swim. I spend a lot of time in the pool. I love to sun. Play tennis and golf. Watch football. I'm a big Georgia Bulldogs fan. I love to garden.

40SOMETHING: Do you garden nude?

CIARA: I do. We made our garden private. We built the pool and then we built all the landscaping around it so nobody can see.

40SOMETHING: There are no two-story houses around you?

CIARA: Well, there are, but our lot goes way back, and we left the woods back there, and we have palm trees, so nobody can see in.

40SOMETHING: Have you ever danced nude? Anything like that?

CIARA: No. I've had sex with my husband in a swingers club! With my husband, though, not other men. And with girls. And I do have a pole. My husband built me a strippers pole. It's on the veranda of our house. I like to dance, but I'm not that good at it. But all I have to do is wrap myself around it and hang on it. My husband enjoys it. I like putting on shows for him.

40SOMETHING: Let me ask you this: Do you think you're good in bed?

CIARA: I guess so. I've had a lot of practice! *[Laughs]*

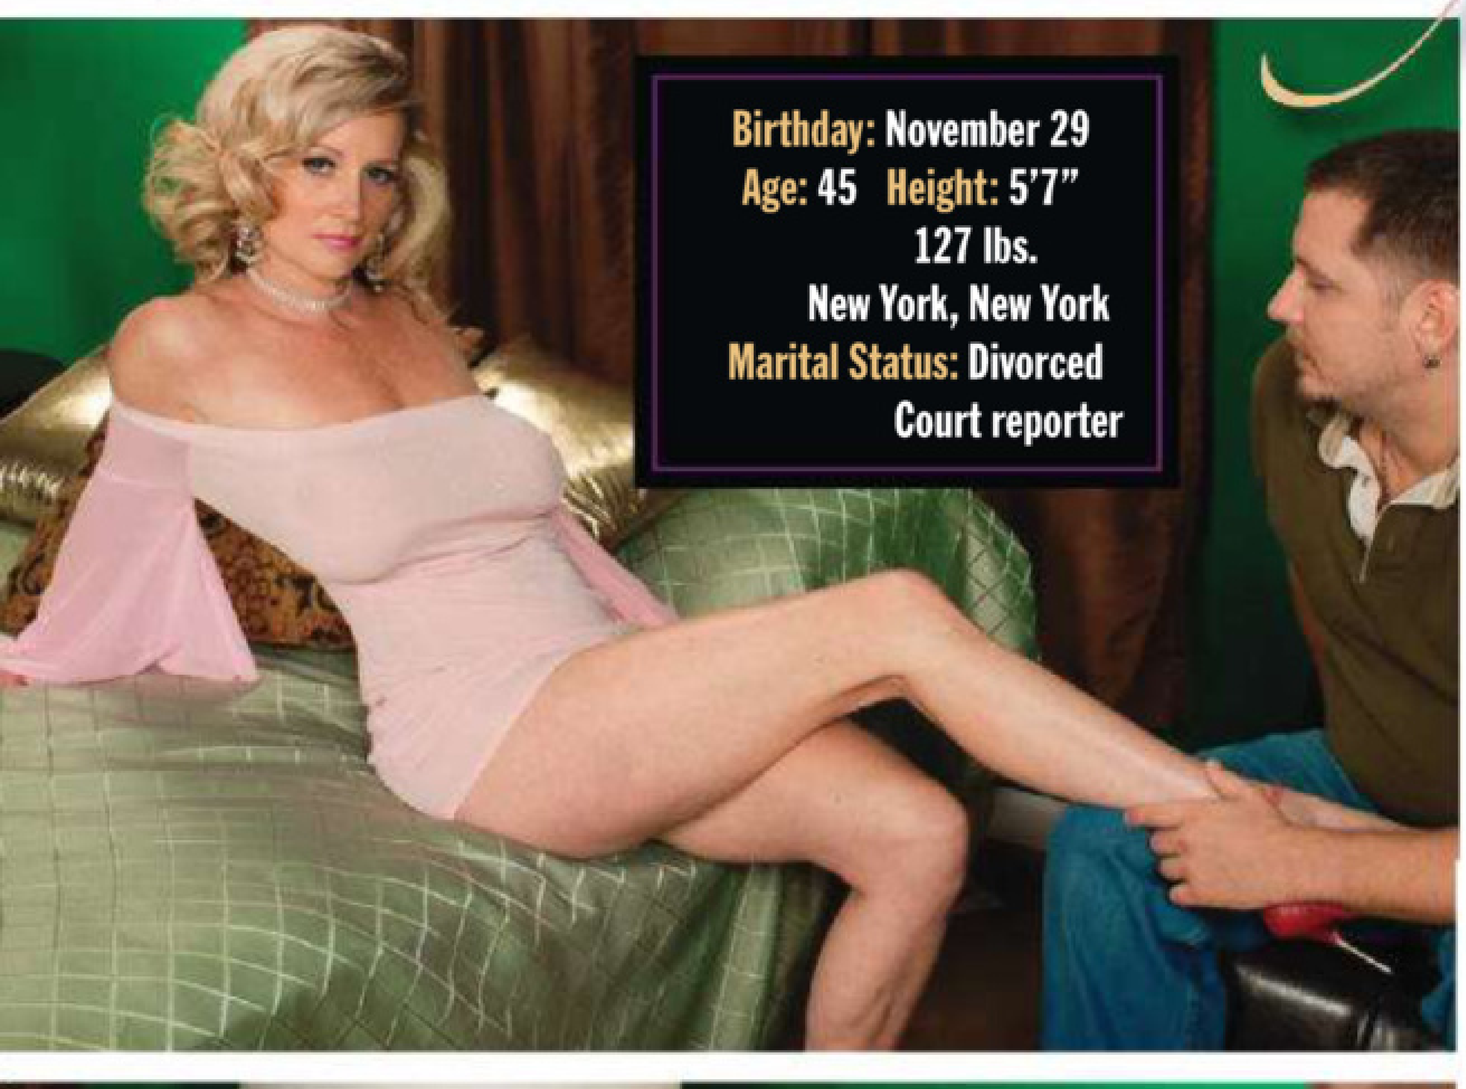

40SOMETHING: Well, I'm looking forward to seeing the pictures and the video so I can decide for myself.

CIARA: Okay! I'm with you: I can't wait to see them! 40

New York, New York
Marital Status: Divorced
Court reporter

We close out this issue with Miranda Torri's fucking daughter Cassy, and we do mean her *fucking* daughter. Miranda, who's 67, got dicked by a stud on pages 57-63. Now, Cassy is proving that horniness runs in the family. "Ever since I was old enough to realize it, I've known that my mom is a horny lady," Cassy said. "She used to bring home men for me or take me to swingers parties. But I have to admit, I'm the one who came up with the idea for her to come to *40Something*."

Storeimags

storemags.com

thenakedtruth

“Look, ma, no hands!” Cassy seems to be saying in the photo above. Mom demonstrates her hands-free blow job skills on page 59, so there could be something to this genetic theory of horniness. “I have no doubt that I got my sexuality from my mother,” Cassy said. “She never taught me how to have sex. She never said, ‘Give a blow job this way’ or ‘Fuck a guy that way.’ But she was always very open and liberal-minded with me. She taught me to enjoy my sexuality and go after what I want. Did she tell you about the time she took me to my first swingers party?”

"I guess the party my mother took me to wasn't really a swingers party," Cassy recalled. "It was more like a fetish party. There were gays, lesbians and transvestites everywhere, and everyone was dressed in wild, sexy outfits. My mother and I, too! She was wearing stockings, fuck-me pumps and a G-string with a push-up bra, and I was wearing a lace bodystocking that showed everything. Like I said, it wasn't really a swingers party, but after about an hour, my mother went off with a few guys and I didn't see her again for the rest of the night. So I figured, 'If Mom's gonna have a good time, I'm going to, too!'"

Storemass

We asked Cassy what she thought about fucking in the same magazine that her mother is fucking in, and she said, “I’m sure it’s very unusual. I’m sure it’s not the kind of thing most mothers and daughters do. I mean, when we show our family album to people, this probably isn’t going to make it in! But like I said, my mother and I have fucked at the same parties, and we’ve fucked in rooms right next to each other, and we tell each other everything we do. So this might shock some people, but it doesn’t shock me.”

You can see Miranda in action at 60PlusMILFs.com (a new spinoff site that also includes 50PlusMILFs.com). You can see Cassy in action at 40SomethingMag.com. "I'm going to get nasty and horny," Cassy says at the start of her video. Cassy looks classy, but then the camera pans down and we see her running her hand over her ass. Her G-string splits her pussy and butt cheeks, covering barely anything. When she fucks, Cassy vigorously bounces up and down on the stud's cock, and the bed sounds like it's going to break. When he cums, she sticks out her tongue for his spunk and catches a mouthful, just as she does here. "Just like my mom would probably do," she said. Yep, like mother, like daughter!
